The Choice Point 2.0 For Values & Goals - Cloudinary

actions Dance moves can include: clarifying values, setting goals, creating action plans, exploring the values implicit in any goal or action, using values to set goals and guide actions, building actions up into goals or breaking goals down into actions We can do this in any order we like; there's no fixed sequence It is rarely a linear

The Physics of Dance - web.hep.uiuc.edu

Dance is an Art •Physics does not "explain" dance •The reaction of the audience to dance is not "enhanced" by knowing the physics •There are interesting parallels between some ideas of current interest in the humanities and those of modern physics (eg the blurring of boundaries between a thing and its environment)
